

TEQUILA CIMARRON®

The free and natural spirit made tequila

Our highland 100% Blue Agave tequila is distilled at a drier profile for lighter cocktail sweetness, allowing for greater creative expression by mixologist and bartenders. Rich, earthy agave character and pronounced highland aromatics are balanced with a delicate smoothness and a bright flavorful finish to create an ideal canvas for intricate contemporary cocktails.

How many ingredients are in your tequila?

Tequila Cimarrón is verified additive-free and made only from fully-mature 100% Blue Weber agave plants and artesian well water, without diffusers, enhancers or modifiers. Time is an essential ingredient to make an extraordinary tequila. While other rush the process using diffusers to make tequila from young, immature agave plants, Cimarrón defies the trend, taking the time to do it right.
