### Think Pink. 2016 Rosé of Tempranillo

**Matchbook Rosé** is an estate-bottled blend of three clones of Tempranillo enriched by small percentages of Rosés of Malbec, Syrah and Tannat. Beautiful aromas of peaches and cream with a hint of strawberry, melon and freshly sliced cantaloupe. Crisp and refreshing on the palate with flavors of peach and cola. The finish is mouth-wateringly long with a hint of tangerine.
